

RUDOLF HERMANN'S FOUNDATION INTERNATIONAL HORTICULTURE AND VITICULTURE AWARD 2022

Award sum: up to 12.500,- €

Object: The Rudolf Hermanns Prize is intended to recognize exceptional scientific achievements and to encourage future research. The prize is awarded to individuals or teams for highly innovative research that has made or has the potential to make an outstanding contribution to the field of viticulture or horticulture.

Target Group: Individuals or teams from the European Union and adjoining countries. Institutions i.e. Universities, research centers or scientific journals are also invited to nominate candidates. The Rudolf Hermanns Foundation would like to particularly encourage applications from young scientists.

Proof of Quality: Reference letters from individual experts or institutions evaluating the research results as well as publications in well-established scientific journals will prove the relevance of the applicant's achievements.

Application Procedure: Applications will be accepted in English, German and French and should include: an application form, a copy of the research work, a cv, publication list and reference letters.

Deadline for applications: June 30, 2022.

Application form: <https://www.hs-geisenheim.de/rhs>
